Transient Approval Policy

An Auburn student in good standing may be approved to take courses at another institution on a transient basis for one term. The respective college/school within the University issues a "Transient Student Form". The dean or advisor indicates the courses approved to be taken elsewhere. This form must then be signed and stamped by the Office of the Registrar. The completed form is taken or mailed by the student to the intended university prior to course enrollment. The form will not be faxed by the Office of the Registrar.

After completion of transient course, it’s the student’s responsibility to request that a transcript be sent back to Auburn University. Send transcripts to: Admissions and Operations
